RE: Objection to the Google Library Project Settlement

Gentlebeings,

05-CV-8136

I object to the "opt-out" provision of the settlement and request that the court reject the settlement unless it is modified to "opt-in." The "opt-out" provision demands that the artist enter a contractual agreement with a private corporation in order to preserve the artist's copyright. This is contrary to copyright law and to contract law in general.

Best regards,

John Moore
